Assessment Map / Matrix:

The Assessment Matrix maps curricular and non-curricular experiences to the 14 program-level learning outcomes and indicates the nature of the contribution made by each course to the assessment process. Note that courses without a specified assessment role are still considered as contributors to the school's learning outcomes and to the student experience.

- *Introduced*
- *Practiced*
- *Mastered*

HSA PROGRAM-LEVEL LEARNING OUTCOMES

	Learning and Teaching Culture	1 Career Paths	2 Design	3 Ecological Knowledge and Responsibility	4 History and Theory	5 Research and Innovation	6 Leadership and Collaboration	7 Representation and Communication	8 Social Equity and Inclusion	9 Health, Safety, and Welfare in the Built	10 Professional Practice	11 Regulatory Context	12 Technical Knowledge	13 Design Synthesis	14 Building Integration
Courses containing primary assessment points:															
Curricular															
ARCH 202 Archl. Design Fundamentals 2			Introduced												
ARCH 222 Introductory Archl. Representation 2								Introduced							
ARCH 251 History of Architecture, Urbanism and Art I					Introduced										
ARCH 252 History of Architecture, Urbanism and Art II					Practiced										
ARCH 257 Design Theory and Culture				Introduced	Practiced				Introduced	Introduced		Introduced			
ARCH 303 Architectural Design Tectonics								Practiced							
ARCH 332 Building Systems II													Introduced		
ARCH 334 Structures II													Practiced		
ARCH 356 History of Modern Architecture					Mastered										
ARCH 405 Architectural Design Investigations I							Introduced		Mastered						
ARCH 406 Architectural Design Investigations II									Mastered						
MARC 424 Advanced Architectural Representation II								Mastered					Practiced		
MARC 433 Building Systems III				Mastered		Introduced				Practiced		Practiced	Practiced		
MARC 439 Structures III										Practiced		Practiced	Mastered		
MARC 507 Design Integration			Mastered											Mastered	Mastered
MARC 508 Design Thesis			Mastered					Mastered							
MARC 557 Architecture Senior Seminar						Mastered		Mastered							
MARC 569 Professional Practice		Mastered								Mastered	Introduced	Mastered			
Non-Curricular															
Internship requirement	Mastered	Mastered									Mastered	Mastered			
School Lecture Series	Practiced	Practiced	Introduced	Practiced	Practiced	Practiced		Practiced	Practiced				Practiced		
Study Abroad	Mastered		Practiced		Mastered										
NCARB / AXP informational sessions and advisors	Practiced	Introduced													
Learning and Teaching Culture and Community Standards policies	Introduced							Practiced							
AIAS and NOMAS chapter programming	Practiced						Mastered		Practiced						
Field trips	Practiced		Practiced					Practiced	Practiced						
PAC / JEDI mentorship opportunities and career path roundtables	Practiced	Practiced						Practiced							
LEED Certification Support for students	Practiced			Mastered									Practiced		
Tau Sigma Delta portfolio reviews and career fair	Practiced	Practiced
