

The Health Science major is available as a dual degree program that must include both degrees in Nursing (ASN & BSN) from the Springfield Campus of Southwest Baptist University (SBU). Students earning a Bachelor of Science degree with a major in Health Science from Drury will simultaneously earn an Associate of Science in Nursing and a Bachelor of Science in Nursing from SBU. The BS–Health Science major requires completion of all graduation requirements at both institutions, including the major requirements listed below, the Drury Fusion program^D, the SBU DISCOVER program^S, and any additional graduation requirements from both institutions (e.g., minimum number of 300- or 400-level credit hours).

To complete all three degrees in four years, you must work closely with the nursing advisor at Drury and the nursing advisor at SBU–Springfield to schedule courses each semester. Documentation of your progress is required for legal reasons, so you must complete all your paperwork each semester for both Drury and SBU. Enrollment in nursing courses at SBU requires general acceptance to SBU’s College of Health, so you should complete that process once you have completed or are officially enrolled in all three prerequisites (Biol 205/6/8). Once at Drury, courses must be completed at the Drury Main Campus (Day School) or the SBU Springfield Campus.

You will register for each course at its respective home (i.e., SBU for NUR and Drury for all others) throughout your tenure in the program, but you will pay all your tuition for both institutions at Drury. Your Drury fees and most SBU fees will be paid to Drury as well, but some fees will be paid to and professional items purchased from SBU (see SBU for details). Transfer/equivalency credits for Drury’s curriculum must be declared during your admissions process, and all course equivalencies must be approved at that time.

Required Drury Coursework

BIOL 205 Human Anatomy (5)^{SI}
BIOL 206 Human Physiology (4)^{SI}
BIOL 208 Microbiology (5)^{SI}
 BIOL 382 Pathophysiology (3)
 COMM 211 Presentational Speaking (3)^{D1/SC}
 ENGL 207 Expository Writing (3)^{SC}
 MATH 227 Introduction to Statistics (3)^{D4/SR}
 PHIL 305 Ethical Issues in Health Care (3)^{D2/SV}
 PLSC 101 American Gov’t & Politics or HIST 101 US History I or HIST 102 US History II (3)^{D3/SS}
 PSYC 101 Introduction to Psychology (3)^{D5/SD}
 RELG 203 Introduction to the Bible (3)^{D6/SV}
 SOCI 101 Introduction to Sociology (3)^{D3/SS}
 THTR 135 Introduction to Theatre (3)^{D7/SE}
 FUSE 101 Frontiers (3)^D
 FUSE 102 Intersections (3)^D
 Fusion Life Certificate (12)^D

Required SBU ASN Coursework[◇]

NUR 1012 Health Promotion in Nursing I (2) – online
 NUR 1017 Foundations of Nursing Practice (7)
 NUR 1023 Pharmacology for Nursing Practice (3)
 NUR 1026 Patient Centered Care (6)
 NUR 2032 Health Promotion in Nursing II (2) – online
 NUR 2037 Advanced Patient Centered Care (7)
 NUR 2047 Nursing Role Integration (7)
 NUR 2052 NCLEX Preparation (2)
 NUR 3453 Spirituality in Health Care (3)^{SV} – online

Required SBU BSN Coursework[◇]

NUR 3213 Essentials of Health Care (3) – online
 NUR 3303 Health Assessment (3) – online
 NUR 3563 Health Care Informatics (3) – online
 NUR 4013 Healthcare in Culturally Diverse Comm. (3)^{SV} – online
 NUR 4333 Research & EBP (3) – online
 NUR 4404 Community Health (4)[★] – online
 NUR 4434 Administration & Leadership (4) – online
 NUR 4443 Capstone (3)[★] – online

^D Course counts as a Drury Fusion Exploration requirement (Fusion Exploration Category # follows “D” when relevant)

^S Course counts as an SBU DISCOVER requirement (DISCOVER Category Letter follows “S” – e.g., “V” for Values)

[◇] Courses to be completed at SBU and transferred back to Drury in order to complete the BS–Health Science at Drury

[★] Must be taken after RN completed; all other BSN courses may be completed concurrently with ASN courses

Underlined courses are pre-requisites to beginning the nursing program at SBU

	Spring	Drury Fusion (as needed) ≤14	NUR ^B 4443 Capstone RN License 3		

NURSING ADVISORS:

Drury
Cindy Fiedler
cfiedler@drury.edu

SBU
Tami Glessner
Admission/Scheduling
tglessner@sbuniv.edu

Kristi Burks
Clinical/Athlete
kmburks@sbuniv.edu

During your first year, apply to SBU – see Cindy Fiedler in Drury’s Compass Center for assistance with this process. You must complete this prior to registering for your NUR courses at SBU.

Prior to starting nursing classes at SBU, you must complete a background check, show proof of vaccinations, etc. – see SBU for details.

All NUR courses will be completed at the SBU-Springfield campus. NUR^A courses are required for the ASN, and NUR^B courses are required for the BSN.

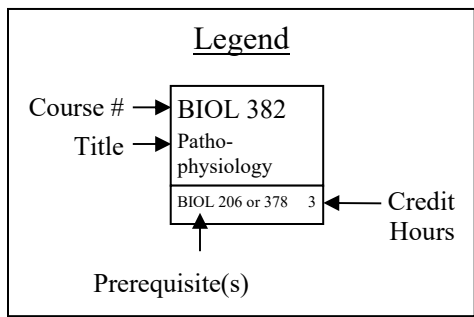

Complete when possible:

BIOL 382 Pathophys. (3)[†]
COMM 211 Pres. Sp. (3)[†]
ENGL 207 Exp. Writ. (3)[†]
PHIL 305 Eth. H-care (3)[†]
RELG 203 Intr. Bible (3)[†]
SOCL 101 Sociology (3)[†]
THTR 135 Theatre (3)[†]
Choose one (3):
PLSC 101[†] ①
HIST 101[†]
HIST 102[†]
Life Certificate (12)
Four (4) courses ②

The BS-Nursing courses (NUR^B) are not required to be a Registered Nurse (RN), but a BSN is required for many leadership roles as well as progression to advanced degrees (e.g., NP, MS, Ph.D.) in nursing. The BSN is online and may be started prior to completing the AS-Nursing curriculum.

NCLEX licensure exam must be taken within a short period of time relative to completing your RN. See SBU for details to set up the exam.

- Notes**
1. Fusion courses can be taken whenever possible throughout your schedule. You should take advantage of every opportunity to complete your Fusion courses, including Winter and Summer semesters when possible.
 2. One Life Certificate required.
 3. At least 36 credit hours of upper-division courses (300- or 400-level) are required at Drury & SBU for graduation; schedule above includes enough upper-division hours if your Fusion Certificate includes at least two such courses.
 4. All but two BSN courses can be taken prior to completing the ASN/RN.

[†] Specific requirement within the Drury Fusion and/or SBU DISCOVER/Nursing Programs – changes by official approval only
Underlined courses are pre-requisites to beginning the Nursing program at SBU
