

**UDG PLAN S**

I, \_\_\_\_\_, owe Drury University \$ \_\_\_\_\_, based on \_\_\_\_\_ hours of day school tuition. I understand tuition and fees are due on the first day of classes, and I am requesting a payment deferral. I plan to use funds from the following source(s) to pay my balance:

- 1. Guaranteed Student Loan \$ \_\_\_\_\_ estimate.
- 2. Access Missouri Grant \$ \_\_\_\_\_ estimate.
- 3. Carl D. Perkins Loan \$ \_\_\_\_\_ estimate.
- 4. MO Dept. of Higher Education Scholarship (Bright Flight) \$ \_\_\_\_\_ estimate.
- 5. Work Study\*\* \$ \_\_\_\_\_ estimate.
- 6. Outside Scholarship(s) \$ \_\_\_\_\_ estimate.
- 7. Cash Payment \$ \_\_\_\_\_ estimate.

**\*\*MUST PAY A \$25 PROCESSING FEE**

I promise to pay a processing fee of \$ \_\_\_\_\_, which has been included in the debt reflected above. In the event that I fail to meet the specified due dates, I promise to pay interest at 12% per annum, 1% per month on the above average daily balance, which will begin to accrue on the last day of the semester.

**I understand that if any additional charges or revisions in financial aid result in an increased balance due, I am responsible for that increase. The increase becomes due and payable upon demand.**

I understand that the loan(s), grant(s), and/or scholarship(s) are funded by entities other than Drury University. I further understand that Drury University is not bound, now or at any point in the future, to provide such funds to me. Failure to obtain the loan(s), grant(s), and/or scholarship(s) for any reason, including but not limited to late disbursements or failure to endorse the loan or grant check(s), does not exempt me from my obligation to pay the total outstanding balance.

**I understand I will be required to pay 1% interest per month plus legal fees and collection costs incurred in association with this debt. I will not receive refunds, advances, transcripts, my diploma, or participate in graduation until this debt is resolved.**
