Submitting a Q-sheet to the Housing Office places students on the Q-list for housing sign-ups, but does not guarantee placement in the desired choice. There are more students than there are apartments, so only the individuals or groups with the most earned credit hours (in comparison to other groups) will get into apartment-style housing. To secure preferred housing, each student must submit a properly completed housing contract at the time of sign-up. Students who are unable to attend the sign-up session must submit housing contracts DIRECTLY to the Housing Office BEFORE the sign-up session.

Housing, FSC 120
housing@drury.edu
Ph: (417) 873-7654
Fax: (417) 873-6997

***Only completed hours may count towards Q-sheet total.** Students should not include hours for which they are currently enrolled, but in-progress hours do count toward eligibility. All hours will be verified by the Housing Office prior to sign-up.
****All housing contracts are for the entire academic year.** Single semester contracts are allowed ONLY for academic reasons (December graduation, study abroad, etc.). Midtown residents with "Fall only" students must indicate their spring replacement on the Q-sheet, and the spring-only person should participate in sign-ups.
