About Delta Dental

Your dental coverage is provided by Delta Dental of Missouri (DDMO), a not-for-profit corporation. DDMO is a member of a nationwide system of dental benefit providers, known as Delta Dental Plans Association (DDPA), the largest provider of dental benefits in America.

Your Membership Card

Dentists do not typically require an ID card, and your dentist can always call DDMO to verify your coverage. If you, your group or dentist prefers that you have an ID card, DDMO will provide you one. ID cards are available through your group or DDMO, by mail or on our website.

Selecting Your Dentist

You may visit the dentist of your choice and select any dentist on a treatment by treatment basis. It is important to remember your out-of-pocket costs may vary depending on your choice. You have three options.

1. PPO Participating Dentist (Delta Dental PPO Network). Delta Dental’s PPO network consists of dentists who have agreed to accept payment based on the applicable PPO Maximum Plan Allowance and to abide by Delta Dental policies. This network offers you cost control and claim filing benefits. However, your out-of-pocket expenses (deductibles and coinsurance amounts) may be higher with a Premier dentist, based upon your plan design.

2. Non-PPO Participating Dentist (Delta Dental Premier Network). Delta Dental’s Premier network consists of dentists who have agreed to accept payment based on the applicable Premier Maximum Plan Allowance. This network also offers you cost control and claim filing benefits. However, your out-of-pocket expenses (deductibles and coinsurance amounts) may be higher with a Premier dentist, based upon your plan design.

3. Non-Participating Dentist. If you go to a non-participating dentist (not contracted with a Delta Dental plan), DDMO will make payment directly to you based on the applicable Maximum Plan Allowance for the non-participating dentist. It will be your obligation to make full payment to the dentist and file your own claim. Obtain a claim form from your Plan Administrator’s office or from DDMO.

Advantages of Selecting Participating Dentists

All participating dentists (PPO and Premier) have the necessary forms needed to submit your claim. Delta Dental participating dentists will usually file your claims for you and DDMO will pay them directly for covered services. Visit our website at deltadentalmo.com to find out if your dentist participates or contact DDMO to automatically receive, at no cost, a list of PPO and Premier participating dentists in your area. You are not responsible for paying the participating dentist any amount that exceeds the PPO or Premier Maximum Plan Allowance, whichever is applicable. You are only responsible for any noncovered charges, deductible and coinsurance amounts.

Eligibility

To be eligible for this coverage, you must meet the eligibility requirements set forth on the Schedule of Benefits. You become eligible for the coverage on the day specified on the Schedule of Benefits or the ERISSA Information. If desired, you may obtain a copy of the qualified medical child support order and other special eligibility procedures, at no charge, upon request.

Enrolling

At the time of initial enrollment, a member must select one of the membership types offered in the application. If your membership application is not received within 31 days after you first become eligible, your coverage will not become effective until your group’s next renewal date. If your dependents (e.g., spouse and dependent children) are not added to your membership within 31 days after they first become eligible dependents (an additional 10 days will be allowed to enroll a newborn child), their coverage will not become effective until your group’s next renewal date. During the benefit period, a member may only change his or her selected membership type because of marriage, birth, adoption (or date of placement for purposes of adoption), divorce, death, a Dependent reaching the limiting age or another designated change in status (if any) under the Membership Certificate. Additional fees or service charges may apply to the change. If a member changes his or her membership type during the annual open enrollment, he or she must wait one-year in order to make another change in membership type (unless the member has a change in status identified above), and then only on your group’s next renewal date.

Dependent Children

Unmarried dependent children (natural, stepchildren or legally adopted) are eligible for coverage until the end of the year in which they reach the dependent age limit (shown on your Schedule of Benefits) or until the date they marry, or until the end of the month in which the dependent ceases to be a full-time student (for plans with full-time student coverage), whichever occurs first. A dependent child is considered a full-time student if enrolled at an accredited educational institution with a minimum of 12 credit hours per semester (9 credit hours for graduate school); provided however, that a full-time student’s coverage hereunder will not terminate due to a medically necessary leave of absence that is certified by the child’s physician before the earlier of: (1) one year after the first day of the medically necessary leave of absence; or (2) the date on which coverage would otherwise terminate under the Plan. DDMO requires proof of full-time student status each semester, and also requires proof of a certified medically necessary leave of absence. Unmarried dependent children who are incapable of self-support because of physical or mental impairments can continue to be protected under your membership regardless of age, if they become impaired before reaching age 19. A special application must be completed by you and your dependent child’s physician at least 31 days before your child’s 19th birthday. DDMO may require proof of continued disability and dependence once a year thereafter.

Exclusion of Benefits

In certain situations, when a claim is filed by you or your dentist, you may receive a form called an Explanation of Benefits (EOB) from us (e.g., the claim is denied or a balance due to the dentist). It tells you what services were covered and what, if any, were not. An explanation of how to appeal a claim is on the front of the EOB as well as in this Summary Plan Description (SPD).

Coordination of Benefits and Termination

If you have other dental coverage, benefits under this program are coordinated with benefits under any other program to avoid duplicate payments. The two programs together will not pay more than 100% of covered expenses. DDMO may recover benefit overpayments. An enrollee’s coverage will terminate for, among other things, the following: the enrollee no longer meets the eligibility requirements, the group’s coverage is terminated, or the member dies. Termination of coverage does not prejudice claims originating prior to termination.

Conversion and Continuation of Coverage

Coverage may not be converted to an individual plan upon termination of employment. If coverage for you or an eligible dependent (qualified beneficiary) ceases because of certain “qualifying events” (e.g., termination of employment, reduction in hours, divorce, death, child’s ceasing to meet the definition of dependent) specified in a federal law called COBRA, then you or your eligible dependent may have the right to purchase continuing coverage for a limited period of time (which may be 18 or 36 months or some other period of time) depending on the circumstances, if such coverage is timely elected during the 60-day election period, which 60 days after the date coverage would have stopped due to a qualifying event or 60 days after the date the person is sent notice of the right to continue coverage. The qualified beneficiary must timely pay the full applicable cost for this continuation coverage on a monthly basis. Enrollees that may be eligible for such continued coverage should contact their Plan Administrator’s office to advise them of the qualifying event and to receive information specific to their circumstances. For more information about COBRA rights, please contact your Plan Administrator’s office.

Claim Predetermination

If the care you need costs less than $200 or is emergency care, your dentist will proceed with treatment at your option. If the cost estimate is more than $200 and is not emergency care, your dentist will determine what treatment you need and could submit a treatment plan to DDMO for predetermination of benefits. This estimate will enable you to determine in advance how much of the cost will be paid by your dental coverage and how much you will be responsible for paying.
Your Schedule of Benefits included in this SPD will show which of the levels of coverage listed below are included in your dental program. It will also show the amount of your deductible and which levels of coverage the deductible applies to. After you satisfy your dental deductible (if it applies), your dental benefits will pay a specific percentage of the allowed amount of covered services, up to your benefit maximum each benefit period. You will be responsible for the remaining coinsurance amount.

Refer to your Schedule of Benefits to determine the extent of your coverage.

### D: Orthodontic Dental Services

### Coverage Limitations
- A panoramic film with or without other films is considered equivalent to a full mouth series for coverage purposes. Coverage for multiple radiographs on the same date of service will not exceed the coverage level for complete mouth series.
- Endodontic (root canal treatment) on the same tooth is covered only once in a 2 year period. Re-treatment of the same tooth is allowed when performed by a different dental office.
- Charges for replacement of filling restorations are only covered once in a 24 month period, unless the damage to that tooth was caused by accidental injury not related to the normal function of the tooth or teeth.
- If an existing bridge or denture cannot be made satisfactory, a replacement will be covered only once in 5 years, but not during the first year of Coverage C benefits.
- Dental benefits for an initial or replacement crown, jacket, labial veneer, inlay or onlay or for a particular tooth will only be provided once in 5 years, unless the damage to that tooth was caused by accidental injury not related to the normal function of the tooth or teeth.
- If your membership is terminated before an orthodontic treatment plan is completed, coverage will be provided only to the end of the month of termination.
- Benefits will not be paid for repair or replacement of an orthodontic appliance.
- After completion of your orthodontic treatment plan or reaching your orthodontic lifetime maximum, no further orthodontic benefits will be provided.

If you receive care from more than one dentist or service provider for the same procedure, benefits will not exceed what would have been paid to one dentist for that procedure (including, but not limited to prosthetics, orthodontics, and root canal therapy). If alternative treatments are available, DDMO will be liable for the least costly professionally satisfactory treatment. This would include, but is not limited to, services such as composite resin fillings on molar teeth, in which case the benefits are based on the allowed amount for an amalgam (silver) filling; or services such as fixed bridges, in which case the benefits may be based on the allowed amount for a removable partial denture.

Charges for the following are not covered:

How To File and Appeal A Claim

Your claims must be filed by the end of the calendar year following the year in which services were rendered. DDMO is not obligated to pay claims submitted after this period. If a claim is denied due to a PPO or Premier participating dentist's failure to make timely submission, you will not be liable to such dentist for the amount which would have been payable by DDMO, provided you advised the dentist of your eligibility for benefits at the time of treatment.

You will be provided written notice if your claim for benefits under the Plan has been denied, setting forth the specific reasons for such denial, written in a manner to be understood by you. Additionally, if your claim for benefits has been denied, you will be afforded a reasonable opportunity for full review of the decision denying the claim, including appeals and requests for review.

DDMO has established a first-level and second-level review process for written complaints. A first-level review, whether related to an adverse benefit determination or for reasons other than an adverse benefit determination, must be submitted in writing to DDMO's Customer Service Department. You have 180 days to submit your written complaint after receiving the denial or the notice that gave rise to the complaint.

DDMO shall allow 180 days from the date allowed to file the first level complaint or 180 days from the date DDMO sent notification to the person who submitted the complaint of DDMO's resolution of said first level complaint, whichever is later. Any complaint should be accompanied by documents or records in support of the complaint. You may review pertinent documents relating to the claim and submit issues and comments in writing for consideration.

DDMO will acknowledge receipt in writing within ten working days and will investigate the complaint within twenty working days after receipt of a complaint. If additional time is needed to complete the investigation, DDMO will notify you in writing on or before the twentieth working day with the investigation completed within thirty working days thereafter. DDMO will notify you in writing of the decision within five working days following the investigation. You have the right to request a second-level review, in which case, DDMO shall follow the same time frames as a first-level review except in the case of a request for an expedited review where life or health of an enrollee may be in jeopardy. Any first-level complaint should be sent to: Delta Dental of Missouri, Customer Service Department, 12399 Gravois Rd, St. Louis, MO 63127-1702. Second-level appeals should be sent to: Delta Dental of Missouri, Appeals Committee, 12399 Gravois Rd, St. Louis, MO 63127-1702. You have the right to file an appeal with the Director of the Missouri Department of Insurance at any time. For detailed information on filing an appeal with the Missouri Department of Insurance, (MDI), contact: Missouri Department of Insurance, FTN: Consumer Affairs, PO Box 690, Jefferson City, MO 65102. The consumer hot line is 1-800-726-7390.
