

# HONOR ROLL

**B**eginning in 1873, Drury founders established the tradition of giving private support to build this institution. For 133 years, alumni, parents and friends have carried on this tradition of financial support, along with important gifts of time and talent. We would like to give special recognition to those who gave \$1,000 or more in 2004-2005 to support Drury students. For a complete listing of the Honor Roll of Donors to Drury University for last year, please visit [www.alumni.drury.edu/honorroll](http://www.alumni.drury.edu/honorroll).
