

**Letter of Recommendation Form**  
**Study Abroad to Tours, France**  
**May 31-June 25, 2010**

Dear Colleague,

As part of their application to the study abroad trip to Tours, France next summer, I have asked students to provide a letter of recommendation from a faculty member. Students accepted into the program will study French language four to five hours a day, five days a week, for four weeks. Their studies will take place at a language institute that welcomes international students from Europe, Africa, Asia, the Middle East, and the Americas. Students will live with a French family the entire time. I appreciate your honest evaluation of the student in several areas:

- potential for academic success in an intensive learning environment
- flexibility in interacting with people from diverse cultures on a daily basis
- general maturity level (the legal drinking age in France is 18)

Thank you for taking the time to provide me with your personal observations of this student. You may have the student forward this letter to me, or you may send me the letter directly. I will keep all letters sent to me confidential. Please feel to contact me should you have any questions or require further information.

Recommendations are due in my office (320 Pearsons ) by December 1, 2009.

All the best,
