What Changed in 2009?

Both Federal and Private Grant Donations fell from 2009-2015

As the need for funding for many nonprofits increased, the amount of grant funding available from traditional entities decreased.

The funding process became much more competitive.

Grant entities instituted a host of new requirements and came to expect more formal, data driven, evidence based practices from applicants.
10 Components of Successful Proposals

- Describe Organizational Capacity
- Mission & Vision Alignment with Funders
- Data Driven programs and projects
- Strategic Planning
- Collaboration & Partnerships
- Evaluation Plans (Goals, Outcomes, and Process)
10 Components, Cont

- Fiscal Oversight & Management
