

Pals/Quest Newsletter

VOLUME 17 ISSUE 1

MAY 2017

DROP-OFF, PICK-UP TIPS

- Carpooling is urged. Please e-mail mpotthof@drury.edu for a list of attendees.
- Never leave a parked car in the waiting line. Stay in your car or park appropriately.
- Be patient. Safety is our concern.
- Never have your child cut through cars to get to your car.
- You MUST have your car visor tag, extras given out on the first day, to pick up anyone.
- Display car tag boldly.

Welcome to Summer Pals/Summer Quest

First Day Tips:

Classes begin JUNE 10th, at St. Agnes on Jefferson Ave and Elm.

Summer Pals and Summer Quest classes meet 8:30 am to 11:30 am.

Some classes will be messy so wear garments that can take a spill and be washed. Most materials are furnished unless the teacher asks you to bring specific items from home. Be early the first day to find your room and pick up additional car tags.

All students are expected to be on good behavior so as not to take away from the experience of others.

FUN STUFF!!!

Field Trips: Many Pals and Quest classes take a field trip. Permission slips were on the registration

form. IF you are late on a field trip day, the bus won't wait. Meet them at the location.

T-Shirts: T-shirts are given to all students on the first day. Tuesdays and Thursdays are t-shirt days.

Pictures: A class picture is given to each student. Pictures will be taken Tuesday, June 11th. Be sure to wear your t-shirt.

Medical Info or IEP: To better serve your child, please inform us of medical issues, allergies and/or IEP. We must know for SNACKS!

Water Bottle: Please bring a water bottle so you can stay hydrated and have liquid with your snacks.

Open House: Each class hosts an Open House to showcase the events of camp. You will be notified of this date on the first day of class OR you can email the instructor (email on back) if you want to plan ahead.

Traffic and Carpooling

Please be on time! Remind your child to watch for you. Use the car tag to help us find you. Additional car tags are available inside the drop off door on the first day.

St. Agnes Traffic:

St. Agnes school is located at the corner of Jefferson and Elm. Drop off only in the parking lot. Pull for-

ward to allow as many cars as possible to be off the street. Students will be waiting near the front door in a designated area marked with class signs. Please be patient. The first few days are learning pick-up and drop-off for all of us.

You must have a car tag visible before we can release your child. Please be patient and look out for all the students.

Parent Meetings on Gifted

Summer Pals or Summer Quest

Office: Drury University

900 N. Benton, Lay Hall 103

Phone: 417-873-7386

E-mail: mpotthoff@drury.edu

Dr. Brandi Klepper
Friday, June 14, 10 am-11:15 am

Panel Discussion
Wednesday, June 19, 10 am—11 am
