The table below illustrates the approximate earnings a student could expect per semester by working the stated amount of hours per week. This formula is based on an hourly wage of \$7.70 x number of hours x 16 weeks. **Note:** A FWS student can only earn work study funds while classes are in session. Work during winter break and after spring graduation must be approved by your supervisor in advance. It is the student's responsibility to monitor his/her earnings and to ensure he/she does not exceed his/her work study award amount.
