

FIRST DESTINATION OUTCOMES & INTERNSHIP HIGHLIGHTS

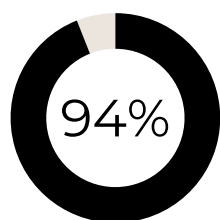

Graduates were employed, in graduate school, working for a service organization or voluntarily taking time off

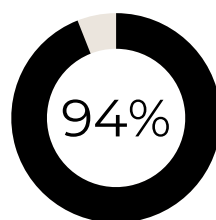

More than
1/4

of graduates were enrolled in graduate/professional school

Students reported their internship successfully met their objectives

Internship site supervisors would hire their intern if a full-time position were available

Career Planning & Development surveys each day school graduating class with regard to their post-graduation status from their graduation month to six months after graduation. For the class of 2024-2025, the knowledge rate was 74%.

INTERNSHIP FEEDBACK

"All of his projects exceeded my expectations of research and rationale. He displayed a very good understanding of what I would consider fairly high level financial analysis."

"She was eager to learn, engaged thoughtfully in team discussions, and asked insightful questions that added value to our projects."
