

### French 4-Year Graduation Plan

This chart shows the courses from which a student planning to major or minor in French may choose from between Fall 2018 and Spring 2022.

Majors must complete 24 credit hours at the 200-level or higher, 3 of which must be a literature course and three of which must be Senior Seminar. (LLIT 390 counts toward the French major.)

Minors must complete 15 credit hours at the 200-level or higher. (LLIT 390 counts toward the French minor.)

Study abroad provides an unparalleled opportunity to develop one's intercultural communicative competence. Students are expected (but not required) to study abroad. Scholarships specifically designated for language study abroad are available. Students who study abroad will have more flexibility in scheduling their courses.

Students beginning their major at the 201 level but not studying in the Tours program will need to complete an independent study to earn enough credits.
