

## Religion Major: Graduation Plan

### Four-Year Plan

This is a suggestive plan for students who major in the Religion Program. This may not fit each person's specific needs, but provides a possible rubric for completing the major in four years. Students should complete the introductory courses and at least three 300L courses before taking the required Capstone Research Seminar, HPRL493.

Note:

- Depending on the number of credit transferred, each student needs to take slightly different courses to fulfill the Major requirements. Therefore, it is essential that each student meets with the department chair or advisor to discuss the course plan.
- All students need to complete HPRL493: Capstone Research Seminar in the fall of their senior year; it is only offered in the fall semester. Students should complete at least four 300-level courses before graduating.
