

# YOUR DRURY FUSION DEGREE

## Additional Graduation Requirements

- Completion of at least 124 credit hours; Master of Architecture requires 168. (Some majors require more than 124 hours for completion. See the [Academic Catalog](#) for details.)
- Cumulative GPA of 2.0 or higher.
- 36 or more hours of upper-division credit (courses numbered 300 and above)
- Final 30 credit hours must be taken at Drury
- Must have at least one credential each from the Life and Profession categories.

## What's a credential?

A credential is an umbrella term used for majors, minors and certificates to describe the unique components you need to create **Your Drury Fusion**. Every credential is designated either Life or Profession. You will need at least one credential from both categories.

### Major

#### Required for degree

- A comprehensive course of study
- Develops depth & breadth of knowledge within a single discipline
- Foundational & advanced requirements supplemented with some student choice in courses

### Minor

#### Optional for degree

- A "snapshot" of a discipline
- Typically a few foundational requirements & some student choice in courses
- Most minors emphasize a single discipline, though some are interdisciplinary

### Certificate

#### One required for degree, more are optional

- Designed to emphasize interdisciplinary depth on a single topic or theme
- Helps you design a curriculum that is consistent with your educational, professional & personal interests and goals
