

CAREER PLANNING & DEVELOPMENT

Year Two

Assess & Explore

- Create a **LinkedIn** profile and begin adding connections.
- Update your **CCN profile and resume**.
- Pay attention** to which classes and activities you really enjoy in order to continue guiding your career plans.
- Start generating ideas for an **internship** and begin gathering and preparing application materials.
- Get involved - **volunteer!** Seek volunteer opportunities that relate to your field of interest. Unpaid experiences and activities can be included on resumes as well as paid, part-time work.
- Start developing **deeper insight and your personal networking connections** by job shadowing, doing informational interviews, and attending the Job Fair.
- Learn about and practice for internship interviews with Big Interview at **drury.biginterview.com**. Make sure to record and watch yourself at least once.
