ARP HEERF III Student Grant Policy and Procedure

Purpose: The [American Rescue Plan](#) (ARP) was signed into law on March 11, 2021. It authorizes funds to the Higher Education Emergency Relief Fund (HEERF III), providing emergency funds to students for expenses related to coronavirus. Drury University has received a total of \$4,184,062 for the student portion of (ARP/HEERF III). Drury University has signed and returned to the Department the Certification and Agreement and the institution has used the applicable amount of funds designated under the CRRSAA and ARP (a)(1) and (a)(4) programs to provide Emergency Financial Aid Grants to Students.

Policy: Drury University has signed and returned to the US Department of Education the required Certification and Agreement and will provide grants directly to students pursuant to ARP Section 2003(a)(1). These funds will be issued directly to students, unencumbered by balances otherwise owed to the institution. Students who wish to apply HEERF III funding to their balance may elect to do so by submitting a request to the Financial Aid Office. Funding will be issued according to Drury’s standard refund process.

Student Eligibility: To be eligible for HEERF III funds, students must meet [eligibility requirements](#) established by the United States Department of Education and by Drury University.

Note: \$3,450 in HEERF II funds were unclaimed by students. Those funds will now be spent with HEERF III funds. Total available funds for HEERF III is \$4,187,512.

Procedure: Drury has created a standardized system by which students are determined to be eligible for HEERF II funding.

Group 1 – Enrolled Summer 2021

Students who are enrolled in Summer 2021 and have an EFC of \$12,000 or less are considered by Drury University to have an exceptional financial need. This is also the threshold used by the State of Missouri to award need-based State grants. Each student in this category will receive a \$1,000 award from HEERF III student funding. This group includes 450 students, and a list of recipients is retained in the Financial Aid Office. The total expenditure for this group is \$450,000.

Group 2 – Enrolled Fall 2021 (Full term and A Block)

Students who are enrolled as degree-seeking students in Fall 2021 full term and/or A Block courses and have an identifiable EFC as of September 9 are included in this group. Using the nine-month ISIR EFC, students were awarded according to the following scale:

EFC	HEERF3 Group 2 Award
\$0-5,846	\$1,500
\$5,847-12,000	\$1,000

Group 4 – Retroactive Fall Awards

In an effort to maximize the amount of funds provided to students, a review was performed of students who did not meet the initial requirements to receive HEERF III funds, but subsequently became eligible.
