# Frequently Asked Questions

## Frequently Asked Questions

*I am receiving Military/Veterans Benefits. How do I get that money?*

You can apply for benefits online, in person at your nearest VA regional office, or by phone at 1-888-GI BILL-1 (888-442-4551).

Please submit a copy of your Certificate of Eligibility to the Financial Aid Office. You must submit Drury's [Veterans Certification Request](#) form at the beginning of each semester you are enrolled at Drury University and anticipate receiving benefits. Once we receive your certification request and you are enrolled, we will certify your hours through the VA online database, to request your payment.

*Do I have to notify your office every semester that I want to receive my benefits?*

Yes, submitting a new [Veterans Certification Request](#) form online alerts our office to certify your enrollment for the upcoming semester. We cannot certify your benefits without your permission.

*How do I know what benefits I am eligible to receive?*

Your benefit information can be found through your [eBenefits portal](#). When you apply for your benefits through the VA website, you will be mailed a copy of your Certificate of Eligibility. This certificate will contain information such as the duration your benefits will be paid, as well as the percentage your benefits will cover. If you have questions about your eligibility, please contact the Financial Aid Office at [fa@drury.edu](mailto:fa@drury.edu), or at (417) 873-7312 for assistance.

*Can I receive other financial aid/scholarships when I am also receiving Military/Veteran benefits?*

Yes, however, certain scholarships and grants that are tuition-based are required to be reported to the VA upon certifying your enrollment.

*How much is my Tuition Assistance/VA/Vocational Rehabilitation Benefit?*

The amount of your benefit is dependent upon your eligibility, which can be viewed through your eBenefits portal or by accessing your Certificate of Eligibility. We are available by phone, email, or by appointment to help you understand your benefit information.

### Graduation Rates

Two year graduation rate as of 2019-2020 school year

### College of Graduate Studies

46%

### Job Placement Rates
