

Associate of Science in Behavioral Science Offered through Drury University's Dual Credit Program Core Requirement Sheet: Minimum 62 Credit Hours

- All courses for the AA in General Studies can be taken ONLINE or SEATED via Drury's Dual Credit Program.
- Students work with their high school counselor and the Drury Dual Credit Director, Beth Nation, in completing the degree requirements.
- During the spring semester of the student's senior year, Beth Nation will complete a degree audit to ensure degree requirements have been met.
- Textbooks/materials are provided at no charge to the student for each course and are linked in the course syllabus, **EXCEPT for all MATH courses**.
 - Online textbooks for MATH courses must be purchased through Pearson MyMathLab. Cost is approximately \$80-\$100.

Degree Requirements: Minimum 62 credit hours; Minimum GPA of 2.0.
