FitLife (33% discount)- Regular price \$150/12 week program \$100 with membership

This 12-week health management program offers a personalized approach to help you achieve your wellness goals and transition you to independent exercise.

If you struggle with physical activity due to a medical condition or if long-term inactivity has you hesitant to begin a fitness program, FitLife is designed to help you progress safely and effectively through an exercise and nutrition plan developed to meet your specific needs and goals.

FitLife includes:

- a health assessment
- orientation to the facility, equipment and programs
- private and secure documentation
- a personalized exercise prescription
- individualized meal plan
- weekly follow-ups with staff
- progress reports when requested
- educational materials
