

**OTC to Drury Semester-by-Semester Transfer Plan
2024-25 3-year Plan: Health Science A.A.S. to BS Health Services Management**

	Fall Semester	Spring Semester	Summer Semester	Notes
Year 1 & 2 OTC	The BS in Health Services Management is for students transferring in an eligible allied health program and is a degree completion program. After completing a qualifying health science certificate or health science Associate of Applied Science, students may be awarded a minimum of 30 credit hours for credit towards a bachelor's degree.			<i>A bachelor's degree requires 124 credit hours, so completing 30-33 credit hours per year will ensure three-year completion. Incoming transfer credit may impact the plan.</i>
Year 3 Drury	EXSP 345 Wellness & Health Promotion GSTU 110 Fdns of Success GSTU 210 Desktop Apps LDST 101 Fdns of Leadership	ENGL 207 Expository Writing LDST 255 Financial Literacy PSYC 312 Positive Psychology ENGL 200 Literature Matters	LDST 310 Contemporary Workforce Issues	<i>Elective courses may be needed to reach 124 credit hours and may extend the graduation timeline beyond what this plan shows.</i>
	12-15 credit hours	12-15 credit hours	0-6 credit hours	
Year 4 Drury	GSTU 310 Comp Cultures LDST 331 Negotiation & Conflict Resolution SOCJ 327 Social Gerontology HIST 108 World History from 1500	LDST 450 Ethics & Leadership PSYC 310 Biology of Behavior SOCJ 347 Medical Sociology Upper-division elective	Upper-division elective Upper-division elective	<i>Apply for graduation by the beginning of your final semester.</i>
	12-15 credit hours	12-15 credit hours	0-6 credit hours	
				124 credit hours (includes 30 hours awarded for a transfer program)

Transfer of General Education credit information:

This plan is created for students with a Health Science A.A.S. degree from OTC. Students who complete only a qualifying health science certificate may have additional general education courses when transferring. (Any OTC COM elective fulfills COMM 220 at Drury - MATH 128 at OTC fulfills MATH 109 College Algebra at Drury – Any 6 credits of BCS or CHEM or BIOL courses at OTC fulfill the GE science requirement at Drury. Any 6 credits of Social Science electives at OTC fulfill PLSC 101 and PSYC 120).

This information is provided as a guide only.

OTC students are strongly encouraged to meet with their Drury GO advisor to discuss the most appropriate OTC coursework for their intended Drury major.
